God grant me the serenity to accept the things I cannot change; courage to change the things I can; and wisdom to know the difference. Living one day at a time. Enjoying one moment at a time, Accepting hardships as the pathway to peace, Taking, as he did this sinful world as it is. Not as I would have it; trusting that he will make things right if I surrender to his will; So that I may be reasonably happy in this life and supremely happy with him forever and ever in the next.

God, I offer myself to Thee to build with me and to do with me as thou wilt. Relive me of the bondage of self, that I may better do thy will. Take away my difficulties, that victory over them may bear witness to those I would help of thy power, Thy love, and Thy way of life. May I do Thy will always! Amen

My Creator, I am now willing that you should have all of me, good & bad. I pray that you now remove from me every single defect of character which stands in the way of my usefulness to you & my fellows. Grant me strength, as I go out from here to do

your bidding
